Indoor LED LSCB Series

LG Ultra Slim LED Signage

Ultra Slim Depth

Easy & Seamless Installation

16:9 FHD/UHD Configuration

90° Corner Design Available

EMC Class B Certified

Fire Resistant Design

Ultra Slim Depth

Its ultra-slim design with 37.5 mm edge thickness is the biggest advantage of the product. This feature enables the LSCB series to be installed and utilized in any type of venues without restriction.

Easy & Seamless Installation

The LSCB series can be easily installed and managed from the front side for easy operation. Thanks to this feature, no additional space for maintenance behind the product is required. Its LED modules can also be simply attached or detached with a magnetic tool.

16:9 FHD/UHD Configuration

Each cabinet uses a 16:9 aspect ratio, the same most commonly used in displays for FHD and UHD content. This allows you to keep using existing content without additional cost and time for editing.

90° Corner Design Available

If you add 90° corner option, the LSCB series fits naturally into the space and delivers smooth & flawless content to customers.

	Class A	Class B 
USA	 Non-residential	 Residential
EU	 Industrial	 Residential, Commercial, Light Industrial

← Emissions Increase

EMC Class B Certified

Boasting EMC Class B certification, the LSCB series guarantees its safety by producing low amount of electromagnetic wave which is harmful to the environment and people.

Fire Resistant Design

The LSCB series obtained Fire Protection Certification and is designed to keep flames from spreading quickly. So you can find enough time to deal with the emergency in case of fire.
